Interns for 3XN - Copenhagen

We are always looking for talented architectural students to join our studio in Copenhagen. As an intern at 3XN, you will be working within our competition department on various Danish and international projects within an innovative, design oriented, fast paced environment.

Requirements:

- Possess a strong passion for design
- Currently studying architecture or other relevant courses (minimum of three years architecture education and previous office experience)
- Strong graphic and design talent
- High degree of integrity with confidential information
- Proficiency with Rhino, Illustrator, Photoshop – and preferably Grasshopper and 3ds Max
- Fluency in written and spoken English, and any other language is an asset
- A team player, self-directed and highly motivated
- Candidates must feel comfortable in a creative, complex and dynamic environment
- Have a sense of humour and a strong work ethic

We hire interns twice a year – spring and autumn – but welcome applications from students all year round. The internship is full-time for 6 months and the position is paid.

We thank all candidates for their interest.
