

German-speaking project architect for 3XN Copenhagen

3XN is currently looking for a talented German-speaking project architect to join our studio in Copenhagen.

You will be working within our project department on various international projects in an innovative, design oriented and fast paced environment.

The culture at 3XN is collaborative and creative. The pursuit of design excellence and outstanding service is the key to our success.

In addition to working on amazing projects, we offer in-house training and development programs as well as educational assistance.

Requirements

- Possess a strong passion for design
- Solid experience in "Ausführungsplanung" and proven track record of executed projects.
- Master's degree in architecture
- 8+ years' experience in international renowned architecture offices
- Proficiency with Revit and Rhino
- German as native language and fluency in written and spoken English
- You should be a team player, self-directed and highly motivated
- You should feel comfortable in a creative, complex and dynamic environment
- You should have a sense of humor and a strong work ethic

Deadline: ASAP - applications are reviewed continuously
