

Construction architect for 3XN - Copenhagen

3XN is currently looking for an experienced Danish-speaking construction architect to join our studio in Copenhagen.

You will be working within our project department and on the construction site in an innovative, design oriented and fast paced environment.

The culture at 3XN is collaborative and creative. The pursuit of design excellence hand in hand with outstanding service is the key to our success.

In addition to working on amazing projects, we offer in-house training and development programs as well as educational assistance.

Requirements

- Possess a strong passion for design
- Solid experience in detailing and construction site management with a proven track record of executed projects.
- Master's degree in architecture or a degree as konstruktør.
- 8+ years' experience in renowned architecture offices
- Expert Proficiency with Revit
- Danish as native language and fluency in written and spoken English
- You must be a team player, self-directed and highly motivated
- Candidates must feel comfortable in a creative, complex and dynamic environment
- Have a sense of humor and a strong work ethic

Deadline: ASAP - applications are reviewed continuously

Start: immediately.
