

Design Architect to 3XN Stockholm

3XN is currently looking for a talented designer to join our studio in Stockholm. You will be working with our competition department in Copenhagen on various international projects within an innovative, design oriented, fast paced environment.

The culture at 3XN is collaborative and creative. The pursuit of design excellence hand in hand with outstanding service is the key to our success.

In addition to working on amazing projects we offer in-house training and development programs as well as educational assistance.

Requirements

- Master's degree in architecture
- 3-5 years' experience in international renowned architecture offices
- Strong conceptual, graphic and design skills and a strong passion for design
- Ability to develop 3-dimensional design options with varying complexity
- Excellent skills in Rhino, Illustrator, Photoshop - preferably also Grasshopper and Revit
- High degree of integrity with confidential information
- Fluency in written and spoken Swedish and English
- You must be a team player, self-directed and highly motivated
- Candidates must feel comfortable in a creative, complex and dynamic environment
- Have a sense of humour and a strong work ethic

Due to the massive response we receive, only short-listed candidates will be invited for an interview. We thank all candidates for their interest.

Deadline: ASAP - applications are reviewed continuously.

Start: ASAP.
