2. Master's degree in architecture
3. Minimum 10 years' experience (post master's degree completion) with project delivery in creative, design-focused architecture studio(s)
4. Experience in leading projects at different phases
5. Possess a strong passion for design integrity
6. Strong conceptual design skills and focus
7. Strong abilities with Revit and preferably also in Rhino, and Adobe Creative Suite.
8. Strong technical knowledge / documenting skills and coordination experience.
9. Excellent communication skills
10. Fluency in written and spoken English.
11. You must be a team player, self-directed, and highly motivated.
12. Candidates must feel comfortable being agile in tasks in a creative and dynamic environment.
13. Have a strong work ethic, but a "team first" outlook.

3XN does not accept unsolicited resumes/candidate profiles from external agencies or suppliers via any method. If any candidates are submitted in an unsolicited manner, we will consider this as a direct candidate application to 3XN, and no fee will be payable. Due to the quantum of response we receive, only short-listed candidates will be invited for an interview. We thank all candidates for their interest.
